

**CITY OF COLONA
POLICY GOVERNING ACCESS TO PUBLIC RECORDS
UNDER THE FREEDOM OF INFORMATION ACT**

1. SUMMARY AND PURPOSE:

This policy governing access to public records is established to implement the provision of the Freedom of Information Act (p.a. 096-0542, effective January 10, 2010, Illinois Compiled Statutes ILCS140/1). The purpose of these rules is to support the policy of providing public records in the possession of the City of Colona, while at the same time, protecting legitimate privacy interest and maintaining administrative efficiency.

2. DEFINITIONS:

4. FORM AND CONTENT OF REQUEST:

Requests in accordance with the Freedom of Information Act and the City of Colona's policy governing access to public records shall be in writing. For the convenience of the requestor, the City has created a FOIA request form available for use. The following information is required when submitting a FOIA request:

- a. The requestor's full name, address and phone number
- b. A brief description of the public record(s) being sought, being as specific as possible. Do not pose questions – if the specific document being requested is unknown, be specific about the information being sought.
- c. Annotate if the request is for inspection of public records, copies of public records, or both.
- d. Annotate if the request is for commercial purposes.

5. TIMELINE FOR RESPONSE TO FOIA REQUEST:

The City shall respond to a written request for public records five (5) working days after the receipt of the request. The day of receipt of the request is not included in the five (5) working days.

The City may give notice of an extension of time to respond which does not exceed an additional five (5) working days. Such an extension is allowable only if written notice is provided within the original five (5) working day limit and only for reasons provided in the Act. Such notice of extension shall state the reasons why the extension is necessary and the date by which the records will be available or the denial shall be forthcoming.

In cases, where necessary, the requestor and the City may agree in writing to extend the timeline for response beyond the five (5) working days specified for the response and the five (5) working day extension.

6. TYPE OF RESPONSE TO REUESTS FOR PUBLIC RECORDS

The City will respond to requests for public records in one (1) of three (3) ways:

- a. Approve the request
- b. A partial denial of the request
- c. Deny the request

Upon approval of a FOIA request, the City may either provide the materials immediately, give notice that the materials shall be made available upon payment of reproduction costs, or give notice of the time and place for inspection of records. If a FOIA request is denied, the denial shall be made in writing. The reasons for denial and the names and titles of the individual(s) responsible for

the decision shall be clearly stated in the written notification. If the denial is pursuant to an exemption set forth in Section 7 of the Freedom of Information Act, the notice of denial shall specify the exemption. It shall also inform the requestor's right to appeal to the Public Access Counselor. Categorical requests creating an undue burden upon the City shall be denied only after extending to the requestor an opportunity to confer an attempt to reduce the request to manageable proportions in accordance with Section 3(g) of the Freedom of Information Act. Failure to respond to a written request within five (5) working days shall be considered by the requestor, a denial of the request.

7. PROCEDURES FOR APPEAL OF A DENIAL

A requestor whose FOIA request has been denied may appeal the denial to the Public Access Counselor (PAC) no later than 60 days after the final denial. The notice to appeal may be made in writing and sent to:
